

## RESEARCH ASSOCIATE

---

### FIRM OVERVIEW

Monte Financial Group, LLC is a fee-only financial planning and investment advisory firm based in Guilford, Connecticut. We are a growing team of eight separated across three business segments: Wealth Management, Asset Management, and Trust Services. We are currently seeking a Research Associate to join our growing Asset Management division.

### JOB SUMMARY

The Research Associate (RA) will work closely with the Chief Investment Officer (CIO) and Asset Management team to complete qualitative/quantitative research and analysis to assist in the portfolio decision-making process. An RA will use statistical, and data modeling techniques and tools to provide insights on in-house equity investments, economics, and capital markets.

### KEY ACCOUNTABILITIES

- Develop statistical and analytical models using Bloomberg and Microsoft Excel to derive conclusions from specific data sets.
- Complete fundamental research and analysis on prospective and currently owned companies for our in-house equity portfolios.
- Prepare communications, such as reports and presentations, to provide insights on what the analysis reveals to facilitate decision-making.
- Complete portfolio maintenance tasks such as weekly exposure updates and quarterly reports.
- Process portfolio analytics and provide proper reports using accounting software for investment strategy meeting.
- Perform analysis on client external accounts and present findings using Microsoft PowerPoint.

### QUALIFICATIONS

- Has advanced analytical and quantitative skills
- Possesses exceptional technical, written, and verbal skills
- Has in-depth skill in developing financial models using Bloomberg and Microsoft Excel and presentations in Microsoft PowerPoint
- Is well organized, with very high attention to detail and accuracy.
- Must exemplify problem-solving skills to address the challenges of data collection and analysis.
- Is a self-starter who takes initiative and is a progressive thinker
- Works well on a team and can prioritize their own work, set objectives, and complete time-sensitive tasks.
- Exemplifies professional standards, honesty, and integrity

## EDUCATION, EXPERIENCE, LICENSES & DESIGNATIONS

- BA/BS degree in business related field or economics
- Proficient in Microsoft Office (specifically Excel and PowerPoint)
- Preferably Bloomberg Certified
- Must have Series 65 or pass within the first 6 months of employment
- Desire to pursue financial designations
