

EQUITY RESEARCH INTERN

FIRM OVERVIEW

Monte Financial Group, LLC is a fee-only financial planning and investment advisory firm based in Guilford, Connecticut. We are a growing team of eight separated across two business segments: Wealth Management and Asset Management. For Summer 2023, we are seeking to hire an Equity Research Intern for our Asset Management division.

INTERNSHIP PROGRAM SUMMARY

Our internship program should provide students the opportunity to discover their passion and apply the knowledge they have developed in the classroom to a professional setting. At the same time, it provides us the opportunity to identify talented individuals with attributes that best fit our firm's culture.

The Equity Research Internship is a 10-week in-person program offered in the fall, spring, and summer. Interns will be paid and are expected to work between 15-25 hours a week during the fall and spring and between 25-40 hours a week during the summer. The weekly schedule will be flexible and based around the student's class schedule in the fall and spring.

Candidates who are selected for this experience will have the opportunity to work directly with the firm's Chief Investment Officer and Asset Management team to complete equity research tasks using the Bloomberg terminal and Microsoft Excel.

Our Summer 2023 internship program will be based in our Connecticut office and will begin June 2023 and last through August 2023. To be eligible, you must be a college student during the time of the internship program.

KEY ACCOUNTABILITIES

- Establish an understanding of Bloomberg API (specifically Bloomberg Query Language-BQL)
- Become familiar with Equity Research Analyst functionality on Bloomberg
- Develop at least two scalable excel models using the Bloomberg API for economic and market analysis
- Understand the different sections of the MFG Research Process
- Complete Quarterly Earnings Review for one sector and its industries
- Update and analyze MFG's scalable analytical templates

QUALIFICATIONS

- For fall/spring/summer internship program must at least be an undergraduate junior
- Pursuing a BA/BS degree in Business related field, Economics, or Computer Science. May also qualify if pursuing MBA or MSBA.
- Minimum GPA of 3.0
- Proficient in Microsoft Excel, Microsoft PowerPoint, and Microsoft Word

HOW TO APPLY
